

VENUE

Discover Your Next

Crafted to redefine the possibilities of a compact SUV, the all-new VENUE blends bold design with cutting edge technology to deliver comfort and versatility.

Exterior

With a stronger stance shaped by evolved proportions, the all-new VENUE stands 48 mm taller and 30 mm wider, while its 2,520 mm wheelbase enhances stability, delivering a bold and confidently striking presence on the road.

Twin horn LED DRLs & Horizon LED positioning lamp / Dark chrome radiator grille

Signature C-pillar garnish

16-inch alloy wheels

Rear horizon LED tail lamps / Bridge type roof rails

Interior

Step inside the innovative cabin, where digital experiences are seamlessly integrated with a stylish and spacious interior, crafted to provide a lifestyle-first experience.

H-architecture cabin with dual-tone interior

Panoramic display with 4,2-inch (cluster) + 12,3-inch (ccNc Lite)

Ambient mood lamp / Terrazzo-textured crash pad

Steering wheel

Space

Extended wheelbase provides more space for the passengers, providing enhanced comfort and practicality with rear type-C USB ports and flat folding seats.

Type-C USB ports (2 in 1st-row, 2 in 2nd-row)

Flat folding seats (2nd-row)

Performance

Adventure starts with power in the all-new VENUE. Featuring a 1.0L Turbo engine, available with a 7-speed Dual Clutch Transmission along with Drive Mode Select and Traction Control Modes for enhanced confidence across varying road conditions. No matter the terrain, the all-new VENUE is ready to take you there with confidence and style.

Kappa 1.0T
Gasoline Engine **118** Maximum Power
HP/6,000 rpm **172** Maximum Torque
Nm/1,500–4,000 rpm

Drive Mode / Terrain Mode (Auto, Snow, Mud, Sand)

N Line

Inspired by Hyundai's motorsport performance, the all-new VENUE N Line, with bold yet precise details, is crafted to be thrilling and extraordinary, while showcasing a dynamic athletic spirit.

17-inch alloy wheels / Body-color cladding with red highlights

Sporty rear bumper with single twin tip muffler

N Line exclusive steering wheel

Metallic pedals

Sunrise red ambient lighting

Seats with N logo

Safety

Built to protect what matters most, the all-new Hyundai VENUE offers fortified protection for all passengers through enhanced structural integrity. Safety you can count on, every step of the way.

Parking Distance Warning - Forward/Reverse (PDW)

Parking Distance Warning (PDW) uses proximity sensors in the front and rear bumpers to warn you of surrounding objects at low speeds for safer parking helping you avoid collisions.

Surround View Monitor (SVM)

The Surround View Monitor (SVM) provides a live video view of the area around the vehicle using multiple exterior cameras, helping the driver spot obstacles and maintain better awareness for a safer and more controlled parking experience.

* Features and specifications may vary by market. Please consult your local dealer.

Rear View Monitor (RVM)

The Rear View Monitor (RVM) displays a live video feed from the rear camera, helping the driver see what's behind when reversing. This makes it easier to spot obstacles and maintain better awareness, supporting a safer and more controlled parking experience.

Parking Collision-avoidance Assist - Reverse (PCA)

Parking Collision-avoidance Assist (PCA) helps prevent low-speed collisions while parking by detecting obstacles around the vehicle and applying warning alerts. The system can automatically apply the brakes when the risk of collision increases.

6 airbag system (Depowered)

The depowered airbags, ensure controlled, safer deployment during collisions. Additionally, the two-side airbags and two curtain airbags provide improved side crash protection for all occupants from impact and possible glass debris in case of an accident.

Tire Pressure Monitor System (TPMS)

The system displays tire pressure in the digital cluster, helping the driver maintain the correct pressure for optimal fuel economy and safety. It alerts the driver of dangerously low pressure levels, helping to prevent a possible accident.
